# Child Medical Symposium

## September 24 - 26, 2019

### Supported By

CACNC is proud to partner with the Governor's Crime Commission (GCC) who actively funds the chapters critical mission to support CACs and MDTs.

### Target Audience and Purpose

This training is targeted for medical providers to provide specialized medical evaluation to assist in the evaluation, diagnosis and management of children with a suspicion of maltreatment.

### CME Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the School of Medicine of the University of North Carolina at Chapel Hill, Children's Advocacy Centers of North Carolina and the NC Child Medical Evaluation Program. The School of Medicine of the University of North Carolina at Chapel Hill is accredited by the ACCME to provide continuing medical education for physicians.

### CME Credit Statement

The School of Medicine of the University of North Carolina at Chapel Hill designates this live activity for a maximum of **15 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Other health professionals will receive a certificate of attendance from an *AMA PRA Category 1™* activity. These certificates are accepted by the NC Boards for physician assistants, nurse practitioners, nurses and respiratory therapists. Other health care providers may also be able to use these certificates, depending on their license requirements.

**License requirements are subject to change. Participants should contact their licensing boards for specific questions. UNC and its partners are not responsible for changes in license requirements.**

### CME Disclosure Statement

This activity has been planned and implemented under the sole supervision of the course director and planning committee, in association with the UNC Office of Continuing Professional Development (CPD). The course director, planning committee, presenters, and CPD staff have no financial relationships with commercial interests as defined by the ACCME. This activity has not received support from commercial interests as defined by the ACCME.

The Course Director is Molly Berkoff, MD/MPH of NC CMEP at UNC. Members of the Planning Committee include Deb Flowers, MSN/CPNP/SANE-A/SANE-P of NC CMEP at UNC, Ken Wooten, Training and Compliance Director, CACNC and Deana Joy, Executive Director, CACNC.

### ADA Statement

The University of North Carolina at Chapel Hill and CACNC are committed to equality of educational opportunity and do not discriminate against applicants, students, or employees on the basis of race, color, religion, sex, national origin, age, disability, veteran's status, or sexual orientation. If you require reasonable accommodations for a disability in order to participate fully in this continuing educational activity, please call (336) 880-1240 no later than September 1, 2019 or attach a note to your registration form.

### Nursing Credit

This activity is being submitted to the Alabama Nurses Association for approval to award contact hours. Alabama State Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. Nurses must attend 100% of each session in order to receive credit for that session.

*Jennifer Schuett, Advocate*  
*Tim Cromie, Chief of Police, Nassau Bay, TX*

This case study will detail the case of Jennifer Schuett, who was kidnapped as an eight-year-old, brutally raped, had her throat cut and was left in a field for dead. The presenters will discuss the challenges of the initial 1990 investigation and working with a child victim and the advantages and hurdles of multiple agencies, including the FBI, working together. Jennifer will share her memory of that night, her desire to find her attacker, and moving on with her life. They will discuss how time becomes an obstacle and an advantage in an eighteen-year investigation in addition to working with the media to find possible witnesses and clues. Advances in technology will be discussed, how DNA identified a possible suspect and the steps taken to connect him to the crime. Lastly, she will describe her experiences, becoming the “Survivor”, and her desire to motivate survivors and professionals who work within the system.

*Target Audience: All Disciplines*

Target audience: Physicians, Nurse Practitioners, Physician Assistants, Nurses

**Note: Medical Providers who feel competent in testifying in court may elect to attend the alternate session on the MDT Tract.**

8:30 – 10:00 a.m.

**G3. A Close-Up Look at Female Sex Offenders in Positions of Trust**

Julie Brand, MS

We have made progress in recognizing that some women, working in “positions of trust”, ie. teachers, nuns, probation officers, coaches—do sexually abuse children. This workshop examines cases of female teachers found guilty of child sexual abuse. It explores the dynamics of their teacher-student “relationships” and reveals ways that the gender of the perpetrator impacts victim disclosures, the reporting of sex crimes, arrests, public opinion, prosecution and sentencing. The presenter shares audio portions of her interview with a convicted female teacher-offender. Proactive strategies for prevention and earlier intervention will be shared.

Target audience: All Disciplines

10:00 – 10:15 a.m.

**Break**

10:15 – 11:45 a.m.

**Closing Plenary: All Stressed Up and No Where to Go: Laugh it Off!**

Karen Vadino, MSW, LPCC, OCPSII

This stress management workshop is designed to help participants recognize stressors, become aware of their own personal stress level and discover some healthy, effective methods to reduce stress. Time management and humor are discussed as methods for effective stress management. Concepts presented in this workshop are applicable to all levels within an organization. The strategies discussed can provide appropriate interventions to help meet the needs of vulnerable adults.

Target audience: All Disciplines
