Physical Abuse Simulation Lab Training for Multidisciplinary Teams

Jointly provided by The School of Medicine of the University of North Carolina at Chapel Hill, Children's Advocacy Centers of North Carolina and the North Carolina Child Medical Evaluation Program

September 23, 2019

Lake Junaluska
North Carolina

Target Audience & Purpose

The purpose of this activity is to start the first multidisciplinary simulation training that will improve the knowledge and skills of medical providers and multidisciplinary team members at Child Advocacy Centers when evaluating children for concerns of physical abuse.

This training is supported by Award No. 012523 awarded by the Office for Victims of Crime, US Department of Justice, through the NC Department of Public Safety/Governor's Crime Commission.

Physical Abuse Sim Lab

September 23, 2019

Learning Objectives

The information presented at this education activity should improve your ability to: (1) recognize child physical abuse, (2) report to child protective services when concerns are identified, (3) consider the patient and clinician factors that impact recognition of child physical abuse, and (4) utilize the latest guidelines in evaluating children for concerns of child physical abuse.

Participants will be provided with lectures and simulation training in the evaluation of child physical abuse to include interviewing, diagnostic testing, follow-up medical care, and reporting requirements to the Department of Social Services and Law Enforcement agencies.

Participants will demonstrate skills including: conducting a caregiver interview, interpretation of physical exam findings, proper documentation of written reports, and formulation of final conclusions.

CME Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The School of Medicine of The University of North Carolina at Chapel Hill, Children's Advocacy Centers of North Carolina and the NC Child Medical Evaluation Program. The School of Medicine of The University of North Carolina at Chapel Hill is accredited by the ACCME to provide continuing medical education for physicians.

CME Credit Statement

The School of Medicine of The University of North Carolina at Chapel Hill designates this live activity for a maximum of **7.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other health professionals will receive a certificate of attendance from an *AMA PRA Category 1™* activity. These certificates are accepted by the NC Boards for physician assistants, nurse practitioners, nurses, pharmacists, and respiratory therapists. Other health care providers may also be able to use these certificates, depending on their license requirements.

License requirements are subject to change. Participants should contact their licensing boards for specific questions. UNC and its partners are not responsible for changes in license requirements.

CME Disclosure Statement

This activity has been planned and implemented under the sole supervision of the course director and planning committee, in association with the UNC Office of Continuing Professional Development (UNC CPD). The course director, planning committee, presenters and CPD staff have no financial relationships with commercial interests as defined by the ACCME.

ADA Statement

The University of North Carolina at Chapel Hill and CACNC are committed to equality of educational opportunity and do not discriminate against applicants, students, or employees on the basis of race, color, religion, sex, national origin, age, disability, veteran's status, or sexual orientation. If you require reasonable accommodations for a disability in order to participate fully in this continuing educational activity, please call (336) 880-1240 no later than August 31, 2019 or attach a note to your registration form.

Physical Abuse Sim Lab

September 23, 2019

7:30 – 8:00 a.m. Check-In & Registration

8:00 – 8:15 a.m. Introductions & “Ground Rules” of Simulation

Molly Berkoff, MD, MPH
Benny Joyner, MD, MPH

Participants will receive an overview of the course and simulation techniques.

8:15 – 9:15 a.m. The Medical Evaluation of Physical Abuse in Young Children

Deb Flowers, MSN, CPNP
Holly Warner, FNP-BC, AFN-BC

This session will provide a brief overview of the medical evaluation of physical abuse in young children and communication of findings with CPS and LE.

9:15 – 10:15 a.m. History Taking for Serious Injuries in Young Children

This session will provide MDT members with an understanding of how medical information integrates into a law enforcement investigation of young children with injuries concerning for physical abuse.

10:15 – 12:00 p.m. Simulation 1: Mock Questioning of Family

Sim 1A: DSS interview of mother
Holly Warner, FNP-BC, AFN-BC

Sim 1B: LE interview of father
Benny Joyner, MD, MPH

Sim 1A: CPS will receive a report from an emergency department medical provider. As a group, MDT members will participate in a mock CPS interview of the mother at the hospital.

Sim1B: CPS will share information with law enforcement. As a group, MDT members will participate in a mock LE interview of the father.

12:00 – 1:30 p.m. Lunch

1:30 – 2:45 p.m. Simulation 2: Putting it All Together

MDT members will interview a medical provider to obtain additional information about the mechanism for injuries.

2:45 – 4:30 p.m.

Decision Making and Presentations

*Molly Berkoff, MD MPH
Deb Flowers, MSN, CPNP
Benny Joyner, MD, MPH
Holly Warner, FNP-BC, AFN-BC*

MDT members will work together to identify what decisions can be made regarding substantiation of child physical abuse and/or criminal charges. Up-to-date information regarding timing of injuries as well as specificity of findings will be reviewed.

MDT teams will present their decisions regarding medical concerns of abuse/neglect, decision to substantiate or charge to the other MDT teams.

4:30 – 5:00 p.m.

Feedback and Closure

Speaker Bios

Molly Berkoff, MD, MPH

Dr. Berkoff is the medical director for the NC Child Medical Evaluation Program as well as the Section Head for Child Maltreatment at UNC School of Medicine. Dr. Berkoff is also the Children's Health and Development Program Medical Director with Wake County Human Services.

Deb Flowers, MSN, CPNP

Ms. Flowers is the Medical Services Coordinator for CACNC and the medical provider for the Moore and Harnett County Child Advocacy Centers.

Benny Joyner, MD, MPH

Dr. Joyner is the Chief of the Division of Pediatric Critical Care Medicine at UNC School of Medicine. He is also the Clinical Co-Director of the Clinical Skills and Patient Simulation Center at UNC School of Medicine.

Holly Warner, FNP-BC, AFN-BC

Ms. Warner is the main inpatient provider for the UNC Hospitals Beacon Child and Family Program's Child Protection Team.

Additional speakers from law enforcement and legal services will be announced closer to the date of the conference.

Planning Committee: Molly Berkoff, MD (CMEP, Course Director), Benny Joyner, MD (UNC), Holly Warner, PNP, (UNC), Deb Flowers, (CACNC), Deana Joy (CACNC) and Ken Wooten (CACNC).
